

MIDWEST HOSE

CONCRETE PUMPING

MWHCONT and MWHCONW are high pressure hoses designed for pumping concrete, shotcrete, plaster, and grout. These durable hoses both come with an SBR/EPDM tube for abrasion resistance and kink resistance and an SBR/EPDM cover to resist abrasion, gouging, cuts, and scuffing.

MIDWEST HOSE KEEPING THE INDUSTRY CONNECTED™

UNMATCHED RELIABILITY

Founded in 1983, Midwest Hose has worked diligently at becoming one of the largest hose suppliers in North America with a proven track record of providing quality products for over 35 years.

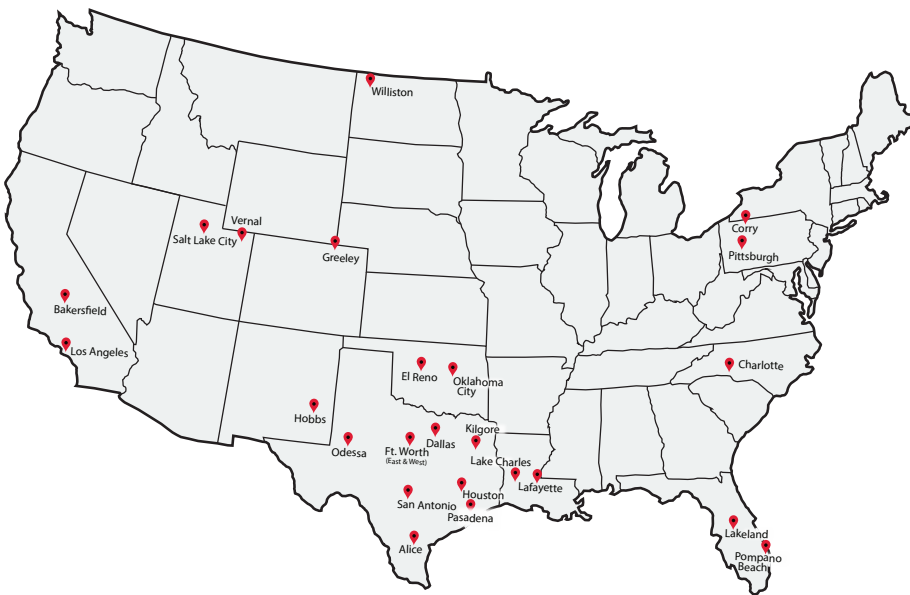

CUSTOMER SERVICE & AVAILABILITY

The most comprehensive product line of any hose distributor – a wide range of industrial hose and fittings that include Layflat, hydraulic, industrial rubber hose, and rotary. Employees are trained to API and NAHAD Hose Assembly Guidelines. All managers, salespeople, and hose assemblers are required to study and pass exams to be certified in each area.

SUPPORT & SERVICE

With multiple locations across the country, we have the facilities, the knowledgeable staff, and the inventory to serve our customers. We also have our new deployment system and several types of fittings made in the U.S.A. Along with a huge inventory and unbeatable service, our goal is to deliver the best overall hose value in the market.
