

MIDWEST HOSE

WE KEEP AMERICA RUNNING

MWHR5/R5AT One-Wire Braid

Applications Include: Petroleum Based Hydraulic Oil, Air and Water for use in Air Brakes, Power Steering, Turbo Oil Lines, Tilt Cab Cylinders, Transmission Coolant and Filtration Lines

Clear/Green PVC Suction Hose

Economical general service suction and discharge hose used for pumping water and light chemical solutions. PVC helix increases flexibility and abrasion resistance while the smooth interior provides maximum flow.

Hydraulic Fittings/Adapters/ Quick Disconnects

Quick Couplers for implement attachment, Adapters for connecting to cylinders & pumps, hydraulic fittings to connect hoses to the hydraulic system.

PVC Spray Hose

Spray hose for fertilizers, herbicides, and insecticides in the agriculture and lawn care industries. Can also handle water and compressed air.
